AAG Fund Raising

Ametek Airtechnology - In December, we presented our final donation for 2018 to our two chosen charities, St Christopher's Hospice and Charley Paige Trust. Each charity received £4,366.67 as well as a large number of donated gifts for them to raffle off.

A fantastic effort by all our employees and suppliers alike in supporting such great causes.

For the year, from the various fund-raising events held, each charity received a total of £6,879.36 from AMETEK Airtechnology Group.

Leo Thon, Corporate Fund Raiser for St Christopher's Hospice - *"The Hospice cannot thank AAG enough for their outstanding support in 2018. We have been truly astounded by the generosity of the team. Thank you!"*

Jackie Franklin, Founder of Charley Paige Trust - *"We were bowled over by your very lovely donation – such a fantastic amount. Thank you!"*

About Ametek TMS

For more than 60 years, Ametek TMS has successfully supported some of the most stringent Aerospace and Military programs and installations. Our Products are specifically designed to operate efficiently, effectively and reliably in harsh environments and demanding applications.

Ametek TMS offers a full range of system and component solutions. With cataloged parts that can comprise the majority of an ECS design, TMS is perfectly suited to design and develop systems for any new platforms.

TMS helps our customers pick the right product for the job, minimizing design, program schedule and contract risk.

AMETEK, Inc.

AMETEK is a global leader in electronic instruments and electromechanical devices with colleagues at numerous manufacturing, sales and service locations in the United States and in many other countries around the world.
